

I would make a belt out of cardboard. But it would be a waist of paper.

Claustrophobic people are more productive thinking out of the box.

If you no longer have a box, it's an Xbox.

I worked in a cardboard box factory but it folded.

What's the number one item shipped by Amazon?

Cardboard boxes.

The great thing about buying a cardboard box and having it delivered is that you normally get one more than you paid for.

Why would anyone fill a box with tiny pieces of cardboard?

I'm puzzled.

I went to the stationery shop and found they had given me cardboard instead of paper.

I am going to write them a stiff letter.

I ordered some disposable lenses and got an empty box.

I must have selected contactless delivery.

The waitress asked me if I wanted a box for our leftovers.

I said no but I'll wrestle you for it.
